Answer: A,C

NEW QUESTION: 2

In which of the following situations was the HR manager incorrect in their handling of FMLA medical certification?

- A. The employee was given 5 calendar days to provide medical certification.
- B. The employer had its own medical certification that it used, but it contained information identical to the DOL's WH-380 form.
- C. None of the above options were incorrect.
- D. The employer disagreed with the certification by the employee's doctor, so it paid to have the employee seen by a second provider.

Answer: A

Explanation:

Explanation/Reference:

Answer option B is correct.

Under the FMLA, employees must be given at least 15 calendar days to obtain appropriate medical certification. Under certain conditions, employers may request a secondary exam, and employers are allowed to use their medical certification form provided it conforms to the requirements of the DOL's form WH-380.
