**NEW QUESTION: 4**

In business, what is the primary difference between a goal and a strategy?

- A. Strategies are the means, while goals are the end.
- B. The terms are interchangeable.
- C. Strategies precede goals.
- D. Strategies are created by executives, while goals are set by middle managers.

**Answer: A**

Explanation:

Explanation: In business, the primary difference between a goal and a strategy is that a strategy is a means, while a goal is an end. Businesses create strategies for reaching their goals. The achievements that must be made on the way to the accomplishment of the goal are known as objectives. Goals are more general and longterm objectives.
